

CHANGE. SHARE: Give Your Two-Cents-Worth

“Two cents worth”: a spoken opinion on a particular matter that may be of little value.

Changing Climate for Effective Evangelism (Bartley Sawatsky):

1. Christians will no longer comprise the majority.
2. Evangelism is going to take longer.
3. Church will need to be more missional (Go!).
4. We'll have to target the same audience as Jesus.
5. We'll have to learn to love and sacrifice.

3 HEART ATTITUDES TO OVERCOME
if we're going to Share Christ:

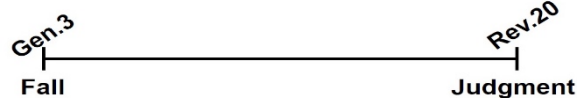

A. Love of Self Matthew 22:34-39 (p.908)

Loving self **less** helps because it frees us to love others.
1 Thes.2:8

B. Fear of Man 1 Thessalonians 2:1-4 (p.1,086)

Mt.10:28
We have the perfect **approval** of our perfect heavenly Father!

C. Small Gospel John 17:21-23 (p.997)

A life **transformed** by Jesus is powerful evidence.

CONCLUSION:

Too many Christians are much better at division. God calls us to **division**.
