

Unsinkable: WORTHSHIP - John 4 (p.979)

Most people sense a strong need to worship something beyond themselves. We're all going to worship something.

A. Worship Ascribes Worth to God 4:9

Worship is more important than other pursuits because:
... apart from God I am eternally condemned.
... I will live eternally with rewards for honoring Him.
... a life of worship is the most satisfying.

Ministry is what we do for others in Christ's name.
Worship is what we give directly to God.

B. Worship in Response to the Gift of God 4:10

Salvation is worth more than anything else.

C. Worship Involves a Relationship 4:10

God desires total access.

D. Worship Involves Focus 4:17-18

A worshiper keeps her eyes on God's presence and blessings.

E. Worship Involves Spirit and Truth 4:24-29

Enthusiastic Heresy vs. Lifeless Orthodoxy.

Spirit and Truth make for an effective witness.
