

## SHARING the GOSPEL Acts 3 (p.1005)

23 sermons in Acts: 7 by Peter and 11 by Paul. This is # 2.

**Partners** are helpful when sharing the Gospel.

Opportunity to share the Gospel often follows meeting **physical needs**.

### A. **Changed Life** 3:7-11

EVERYONE is looking for abundant life!  
If your heart is changed- if you know you have been forgiven by God- you have **what everyone else needs**. You don't need to be perfect- just genuine.

### B. **Less Self, More Jesus** 3:12-16

The miracle is not really about the man who was healed...

The main thing that sets Christ apart from every other martyr is that God **raised Him from the dead**.

### C. **Scripture** 3:17-24

Isaiah 53

Our **authoritative** source is the **Bible!**

*2,000 years later, the name of Jesus has the power to bring the most hardened hearts to God.*
