**Real God is an eight-week sermon series on who God is and how He wants to be known by you. The series begins Sunday, January 27 at 9:30am and 11am. Life Groups will be discussing the attributes of God that will be explored in the sermon. There is a workbook that will be used in Life Group.**

**Together we'll take a deeper look at who God reveals Himself to be in the pages of Scripture. As we get to know *The Real God*, we hope that you will be amazed and awed at the beauty of His character.**
