

## God's Word Fuels Us

Analysts estimate human knowledge is doubling every thirteen months. The Word of God will stand forever!

### A. Unconditional Love Romans 5:7-10 (p. 1,039)

In Christ, there is nothing I can do to make God love me more; nothing I can do to make God love me less.

By faith, I receive full access to God and all of His blessings as a free, unmerited gift earned by Christ for me.  
Ephesians 2:8-9

??? *What does Christ's love compel you to do?* (Write it down.)

### B. Everlasting Joy (p. 1,117)

I don't need the praise of men or the accumulation of riches; in Christ I have all that I need.  
So many are discontent. Striving after lesser things, we find that nothing else satisfies like Christ.

*"Brokenness is realizing He is all we have.  
Hope is realizing He is all we need.  
Joy is realizing He is all we want."*

*-Becoming a True Spiritual Community, Larry Crabb*

2 Peter 1:3  
Nehemiah 8:10

### C. Ambassadors of God's Grace 1Corinthians 9:18-23 (p. 1,056)

Beyond "Do unto others as you would have them do unto you" --  
Christians are to "treat others as Christ has treated you."

??? *What part of your story could you leverage in order to share the Gospel?*

### D. The Cross and the Resurrection Hebrews 1:1-2 (p. 1,099)

The Old Testament comes into a whole new light through the Cross.

The Cross—the demonstration of God's compassion—guides my life.

1 Corinthians 6:14  
The Resurrection—the demonstration of God's power—motivates my life.

As a core value of our church, we are wholeheartedly committed to the value of GOD'S WORD fueling everything we do:
