

Spiritual Warfare Acts 16 (p.1,020)

In Philippi, one woman believes & supports the Church.
Another woman disbelieves & contests the Church.
What's the difference?

A. Demonic Possession 16:16-18

1. Demons are supernatural, fallen angels.
2. Demons are finite.
3. Demons blend truth and deception.
4. Demons are subject to God's authority.
1 John 4:4; Matthew 25:41

B. Spiritual Strongholds 16:19-21 2 Corinthians 10:4, 5

When people reject the God of the Bible, they turn to
gods of wood, stone or metal...

Anything that takes priority over our Creator and Savior
can become a spiritual stronghold of the evil ones.

C. Supernatural Deliverance

16:22-33

Rather than circumstances, they were focused on Jesus
who rose from the grave and promised eternal life.

The Bible declares that the outcome is already
determined. God wins and will reward those who by faith
have aligned themselves with Him.
