

GREATER THAN Moses

Hebrews 3 (Pg. 1,100)

Moses was raised as royalty in Pharaoh's court. Fleeing to the desert, God appeared to him in the burning bush. God used Moses to rescue Jacob's descendants from Egyptian bondage. Escaping through the waters of the Red Sea, the new nation viewed Moses as their deliverer.

A. Builder and Master Versus Servant 3:2-6

Moses was a foreshadowing of another **Deliverer** who would come directly from God.

God knows that we are spiritually dead in our sins. So He sent His Son to give us hope.

B. Cautionary Lesson About Disbelief 3:7-12

Psalm 95

Unbelief never has enough **proof**.

The consequences include eternal punishment.

C. Encouragement to Persevere in the Faith 3:13-15

We all need this kind of **exhortation** because life is hard and sin is deceptive!

Belief is a choice. That's the nature of faith—believing in something that is not empirically proven. Every time a person says, "Not yet," their heart becomes a little more insensitive.

"I do believe; help my unbelief."
