

## Northwest Chapel Prayer Guide - March 2025

### Corporate Prayer:

**Every Sun. 8:30 a.m.—Room 118**

**Last Wed of Every Month—7:00 p.m.—Room 131**

### **A. Community, U.S. and World**

- Our Leaders: Pres. Trump, V.P. Vance, Congress, and Governor DeWine
- Local church: The ARK-Dublin
- Country: Australia
- Persecuted Country: Yemen—Nearly all Yemenis are Muslim, but through bold and creative ways, a small but steady number are becoming Christians. These Christians are persecuted by the government, Islamic extremist groups, and communities, including their family members. Converting to Christianity is a crime punishable by death. Pray that believers can access the Bible through the media and internet as it is dangerous to own a Bible.

### **B. Missionary—Sean Patrick—Finish Line Ministries International**

- Their main focus in Africa is training pastors, equipping the church, providing for orphans and reaching the lost.
- Pastors and church planters are traveling to remote villages to minister to the people. Pray for protection and effectiveness of the Gospel to bring people to Christ.
- Pray for Pastors Bible Institute students as they study the Scriptures and prepare for ministry.
- Pray for our Orphan and Day School Ministry children as they continue to grow; physically, emotionally and spiritually. Pray that they are protected and that their daily needs are met. Continue to pray that many of the children will come to know Jesus.
