- Our Leaders: Pres. Biden, V.P. Harris, Congress and Gov. DeWine
- Future Leaders: Pres. Elect Trump and V.P. Elect Vance and Cabinet choices
- Local church: Indian Run United Methodist Church, Dublin
- Country: Syria
- Persecuted Country: Morocco-There are no church buildings in Morocco, but networks of underground churches have developed. Bible distribution and missionary activity are not allowed in the country. Pray that Bibles will be accessible, that believers will find fellowship, and that believers caught by the secret police would have wisdom.

### **B. Missionary-Jon and Mindy Baker-Mexico**

- In January, we will begin to plan for a Q1/Q2 conference to encourage church planting in Mexico. We hope to have at least as many attendees as last year, with the goal of reaching more people.
- We have a new possibility to start a church in Tijuana with a family we recently met through our network. Tijuana has been a spiritual battlefield, so we need to fast and pray diligently as we work toward establishing a church. The families there are very interested in moving forward, and we pray that we have the time and energy to commit to this new direction.
- January and February are the rainy season in Northern Mexico. We had to have major construction on our home in 2024 due to moisture and mold problems. Please pray that our home remains dry and safe with the new waterproofing measures we have taken. Our prayer is to stay safe and healthy in 2025.
