

Northwest Chapel Prayer Guide

May 2024

Corporate Prayer:

Every Sun. 8:30 a.m.—Room 118

A. Student Ministries and Children’s Ministries

- Pray for the upcoming mission trip to L.A. and Alpine retreat this summer.
- The students who will be graduating need our prayers as they move to their next chapter of life.
- Pray for volunteers for VBX and the kids who will attend.

B. Community, U.S. and World

- Our Leaders: Pres. Biden, V.P. Harris, Congress and Gov. DeWine
- Local church: **Veritas**– Various locations
- Foreign Country: **Argentina**– Praise God for positive economic and other developments under the new leadership of Javier Milei. May he continue to be an example of more rational decision making. The hard work continues.
- Persecuted Country: **Cuba**– Churches are required to register with the government to be “legal”. Therefore, many house churches are still under scrutiny. Speaking out against the Communist Party can result in fines, imprisonment, the building being demolished, or property being confiscated. Pray for a revival similar to the one in 1989 under Castro.

C. Missionaries– Stephen and Rosie Joyce, About My Father’s Business (AMFB) - Washington, D.C.

- We are planning on launching a church near a men’s shelter on the second Saturday of May. Please pray for all the prerequisites to fall into place.
- Please pray for the start of a discipleship/mentoring program for young, inner city, at-risk boys to be successful and enduring.
- We are praying for everyone in the church to be in a discipleship cell with the hope that they will form their own cell. Pray for God to equip us to do so.
