

Northwest Chapel Prayer Guide

May 2025

Corporate Prayer:

Every Sun. 8:30 a.m.—Room 118

Last Wed of Every Month—7:00 p.m.—Room 131

A. Community, U.S. and World

- Our Leaders: Pres. Trump, V.P. Vance, Congress, and Governor Dewine
- Local church: Nuvo Church
- Country: Myanmar
- Persecuted Country: Nepal-- There is a small, visible Christian community in Nepal and they boldly witness for Christ, but believers still experience opposition from extremists among the Hindu, Muslim, Buddhist and Marxist groups. Local Hindu nationalists envision it becoming a “pure” Hindu Nation. There is no access to Bibles in remote areas and villages, and distribution can be difficult in mountainous areas.

B. Missionaries-Amir and Florence Bhatti-Agape Church and Mission-Pakistan

- Please pray for Pakistani Christians as there are so many incidences of persecution recently. Persecution is real and we cannot share the Gospel without risking our lives. Pray that Agape’s church planter can share the Gospel in this hostile environment.
- Pray that God will send sponsors and partners for Isaac English School and Agape Home. They are educating, feeding, freeing and sheltering 200 children.
- We are asking God to help build and plant more churches in South Punjab. Your partnership and prayers will help this mission continue so that Pakistan can hear about salvation in Jesus Christ.
