

Northwest Chapel Prayer Guide

December 2024

Corporate Prayer:

A. Community, U.S. and World

- Our Leaders: Pres. Biden, V.P. Harris, Congress and Gov. DeWine
- Future Leaders: Pres. Elect Trump and V.P. Elect Vance and Cabinet choices
- Local church: Prince of Peace Lutheran Church, Dublin
- Country: Brazil
- Persecuted Country: Azerbaijan– The military is destroying Armenian churches, medieval sites and cemeteries. They are driving out the Christian population which is a form of ethnic cleansing and a violation of human rights. The Armenian people are known as the “first Christian nation”, having converted to Christianity in A.D. 306.

B. Missionary-Betsy Becker-Charis Alliance-Encompass World Partners

- After serving in Kyrgyzstan for almost 19 years, she felt the Lord leading her to finish that ministry and return to America. She is greatly enjoying being the missionary in residence at Grace College, mentoring students interested in missions. She is committed for the whole school year, while engaging in conversations about her next role.
- Please pray that God would raise up more workers for the harvest field. Pray for the college students asking God where He might be leading them.
- Pray that the long -awaited wheelchairs will arrive in Kyrgyzstan in late December, intact, with no problems at the many border crossings.
- Pray that the chairs will be a great blessing to many people and be a tool to boldly preach the gospel to each recipient and their families.
