

Northwest Chapel Prayer

September 2023

A. Northwest Chapel-Finances/Outreaches

- Ask God for provision in our budget so we can cover unexpected facility expenses and still grow our community outreach.

B. Our Community

- Thank the Lord for new reoccurring ministry opportunities at The Grand of Dublin, Carriage Court, street evangelism at the Dublin Bridge, football dinner outreaches, and our annual Family Fun Fest.

C. Missionary of the month—Kelly Will—Cru-Bridges International

- Pray for 6,000 international students from some of the hardest-to-reach countries now at OSU. Will try to contact 100 names to see interest.
- Two key leadership positions are vacant due to health issues. Pray for Steve and I as we take on dual roles.
- Pray for open hearts of international students we met last month, and wisdom as we follow up with spiritual conversations.

D. Community, U.S. and World

- Biden, Harris, Congress, Gov. DeWine of Ohio
- Revival for the United States
- Local Church-Hilliard United Methodist Church
- Foreign Country-Albania
- Persecuted Church-Iran has the fastest growing churches in the world, even though the Bible is illegal. Despite more people coming to faith in Jesus, Muslim hostility toward Christians has remained the norm. Pray for quality books to reach them to promote sound doctrine.
