

GREATER
than RELIGION Hebrews 10

A person can devote their entire life to religion and still never know God. Jesus calls us to a *love relationship*.

A. Relationship with Christ 10:22-23

Draw near to God.

- Salvation.
- Begin each day devoting yourself to Him.
- Remember His presence throughout the day.
- Purpose to act like Christ.
- Apply yourself to God's Word.

B. Relationship with Other Christians 10:24-25

1. **Spur one another** to love and good deeds.

2. Gather with others for **worship** and **spiritual** encouragement.

Jesus calls us brothers/sisters. That's why we strive to live together like family.

C. Purity in Life

10:26-39

A true Christian cannot continue indefinitely in **willful sin**.

As a child of God, I may go on sinning deliberately for a time, but I cannot go on *indefinitely* because the Holy Spirit will bring **conviction** and correction.

Don't give up!

the Coming One will come and not delay.
